HOTEL AMENITIES

Elegant scents to personalize your guests rooms with a plain and refined style. A multisensorial experience able to create a unique and unforgettable atmosphere.

A close-up photograph of several argan fruits. One fruit in the foreground is cracked open, revealing a thick, pale yellow, buttery substance (argan oil) inside. The fruits are a rich, dark brown color with a smooth, slightly glossy texture. The background is a plain, light-colored surface.

argan

Argan is a sophisticated fragrance which perfectly combines the Bergamot and Tangerine freshness with Lily, Peony and Rose sweetness. It is enriched by the union of Sandal Wood, Amber and Musk notes that gives a touch of mystery and charm to this elegant perfume.

TOP NOTES

citrus fruits

Bergamot
Tangerine

MIDDLE NOTES

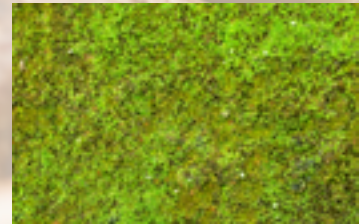

floral

Lily
Peony
Rose

BASE NOTES

woody musk

Sandal wood
Amber
Musk

A close-up photograph of a pile of almonds and almond butter on a rustic wooden surface. Several whole almonds with their characteristic tan, ribbed skins are scattered around a central, dark, textured mass of almond butter. The butter has a crumbly, crystalline appearance. The wooden background shows natural grain patterns and some minor staining.
