*Zagara*

Elegant scents to personalize your guests rooms with a refined style. A multisensorial experience able to create a unique and unforgettable atmosphere.

## Zagara

Zagara evokes all the beauty of a summer garden when Nature explodes in a triumph of scents and colours. Citrus fruits (Lime, Orange and Lemon), Mint, Basil, Cardamom, Oak Moss and Cider are the real protagonists of this extremely fresh, intense and overwhelming fragrance.

Thanks to Zagara, your guests will be involved in an amazing olfactory journey through the secret paths of this marvellous summer garden... where each step will release their imagination.

## top notes

lemon  
orange  
lime

## middle notes

mint leaves  
basil  
marjoram  
thyme

## base notes

oak moss  
cedarwood  
cardamom

The background of the entire image is a close-up photograph of orange blossoms. The flowers are small, white with yellow centers, and are surrounded by vibrant green leaves. The lighting is soft and natural, highlighting the delicate petals and the texture of the foliage.
